Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a Disclosure Statement, or a Statement of Advice (SOA) when we provide you with personal advice on Personal Accident and Illness Insurance. When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly. When considering the renewal of your insurance policy, we will usually seek additional quotes where there has been a substantial increase in your renewal premium and/or your policy conditions have altered significantly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or provide access to, a product disclosure statement (PDS), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

Lack of Independence

Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you.

We, Elite Insurance Brokers, are not independent, impartial, or unbiased pursuant to section 923A of the Corporations Act because:

- We may receive commission when we provide personal advice to you in relation to insurance products and other financial products;
- We may have associations or relationships with issuers of insurance products and other financial products.

Further information about these benefits and relationships is set out in this Financial Services Guide. If you have any questions about this information, please ask us.

From when does this FSG apply?	This FSG applies from the 3 rd of August 2022 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG which will not replace this FSG, but will cover services not covered by this FSG.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

Elite Insurance Brokers is a Steadfast Group Limited (Steadfast) Network Broker.

Steadfast has arrangements with some insurers and premium funders (Partners) under which the Partners may pay Steadfast commission of between 0.5 – 1.5% for each product arranged by us with those Partners, or alternatively a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners.

As a Steadfast Network Broker, we have access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, banking and recruitment advice and assistance, group insurance arrangements, product comparison and placement support, claims support and group purchasing arrangements. These member services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 4% of funded premiums. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will be set out in the premium funding contract.

What information do you maintain in my file and can I examine my file?

We maintain a record of your personal profile, including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request and is also available on our website.

If you wish to look at your file, please ask us. We will make arrangements for you to do so.

How are you paid for the services provided?

For each insurance product the insurer will charge a premium that includes all relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in most cases we will also charge you a broker fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any broker fee that we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission is usually between 0% and 30%

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any broker fees that we charge you will be disclosed in our tax invoice and/or statement.

The commission rate does not represent our profit margin as it also reimburses us for expenses we incur in providing our services and helps us to keep our broker fees at a reasonable level.

We do not usually pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 50% of our commission or fees.

Employees of Elite Insurance Brokers are paid a market salary and may be paid a bonus where performance standards are met. This is not an additional cost to you. Julian Griffith is a director and shareholder of Elite Insurance Brokers through entities controlled by him. As such, he may receive dividends from Elite Insurance Brokers.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See above for information on the Steadfast association and commission

Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

What arrangements do you have in place to compensate clients for losses?

Elite Insurance Brokers has Professional Indemnity insurance (PI insurance) in place that is consistent with its regulatory obligations under section 912B of the Corporations Act.

The PI insurance covers Elite Insurance Brokers and our employees for claims made by clients against us and our employees as a result of the conduct of us or our employees in the provision of financial services.

The PI insurance covers us for claims relating to the conduct of representatives who no longer work for us but who did at the time of the relevant conduct subject to the terms and conditions of the PI Policy.
